Mostly As – You are a **SLEEPING BAG**. Camping isn't your idea of fun. The ground is cold and the backpack is heavy. So it's better for you to go by car. But you are clever. If something happens, you have good ideas which help everybody. And your friend really like to listen to your stories by the campfire.

Mostly Bs – You are a **CAMPFIRE**. Everybody likes you. You are always the centre of any group. You sing, you dance, and you make jokes. Camping without you isn't fun. But you are always ready for difficult situations – you need your friends like a campfire needs a lot of wood.

Mostly Cs – You are a **TORCH**. You are a very good camper and will survive in any situation. You always help your friends if they ask for help. You can make a campfire and cook food, you can carry heavy things. There is one problem: Your light is very important, but it is not warm enough.
